PRODUCT DESCRIPTION

The Barret Seating Unit is ideal for busy areas such as waiting rooms, lobbies, bus stations and train stations. A selection of colour options, including silver, red, green, blue, and black, are available, and it can seat two, four, or six people. Choose from white, beech, or grey for the robust table tops.

Durability is ensured by the robust 50mm square tubular frames in silver or black on this UK-made device. It can be floor-fixed or freestanding and comes fully constructed (bigger models require less setup).

Also, this seating unit includes a 3-year guarantee and provides the ideal balance of beauty and durability for any busy location.
