## PRODUCT DESCRIPTION

The Elwood Fixed Seating Units are available with both single and double entry options. These are an upgraded, more modern canteen seating solution. The seats are made from beech veneer making this seating perfect for any modern break room or dining area.

Available in 2, 4, and 6 seater options, the Elwood chairs are versatile enough to fit any space. Choose from table tops in White, Beech, or Grey MFC, all 25mm thick and supported by sturdy, 50mm square tubular frames finished in Black or Silver EPC. Proudly made in the UK, these chairs arrive fully assembled (larger models might need a bit of setup). Designed to stand freely, they also come with an optional floor fixing kit for extra stability.
