PRODUCT DESCRIPTION

Our Harvey range of canteen seating is our most popular fixed dining set. Built to last, the Harvey furniture is durable, easy to clean and looks great in all types of canteen - from school canteens to workplace break rooms. It is extremely versatile too - available in 2,4 and 6 seater options. The 4 and 6 seater versions are available as single and double entry types allowing for tailored configurations to suit your room. This range of seating is designed for heavy duty use making it ideal for use in workplaces, staff rooms, schools, colleges, hospitals, etc.

Harvey are quality budget canteen units with sturdy, polypropylene seat shells and MFC tops. The seating is constructed from fully welded 50mm x 50mm box section mild steel powder coated frames. The quality polypropylene seat shell is offered in 6 vibrant colours and 25mm easy clean MFC tops with high impact edges. Perfect option for a busy, high usage and demanding 24hr canteen areas that require extreme robust furniture on a budget.
