PRODUCT DESCRIPTION

Our UK manufactured hookboards come in a variety of width sizes; 1000mm, 1200mm, 1500mm, and 2000mm. Not only this but we can also offer custom sizes if needed, just get in touch and ask for a quote. Depending on width option chosen, they arrive with a standard number of hooks which range between 5 and 20 in total. With all these perfect sizing options available, they are a fantastic choice in all settings such as schools, workplaces, gyms and more.

These exciting hookboards are supplied fully assembled and constructed of mild steel with choices of polymer slats or beech wood. A range of 5 colours are available to match your rooms current theme, having them really stand apart as a centre focal point.

Pure has developed a manufacturing technique that is carbon zero in an effort to reduce their impact on the environment and contribute to the preservation of our world
